

Recognizing an eating disorder

Your MAP is here to help

Eating disorders include anorexia, bulimia, and binge eating. These are serious health conditions that can cause dangerous problems, including damage to the heart and kidneys.

If you or a loved one struggles with an eating disorder, your Members Assistance Program (MAP) offers a wide range of support and resources, available at no extra cost, including:

- Free confidential counseling, in-person or online.
- Articles and tip sheets about eating disorders and healthy eating.
- Tips on how to approach a friend with an eating problem.
- Referrals to support groups and treatment.

These resources can help you recognize the signs of an eating disorder and find the treatment and support that's right for you:
